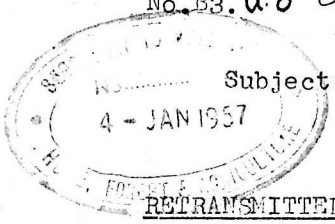
E 4 files BANGALORE: DECEMBER, 1956.
3 Jan



Subject:--Disforestment of F.S.267 of Balikop in Siddapur Taluk for residential plots.

RETRANSMITTED:--

7) The Survey No.267 at Balikop jungle is a forest Survey No. The area in question has already been formed into housing plots by the Revenue Department, to be given to the deserving persons. The land in question has not as yet been disforested but has been assigned for gaothan by the Forest Department. In this connection a reference is invited to the Government Letter AF & D. Bombay's No.O/96944/E dated 1st October 1956, under which Government have authorised the Collector of Kanara to dispose of the plots in that area excluding an area of 2 acres 8 guntas but not 24 Acres 8 guntas from the said Survey No. in respect of which the Collector was asked to offer his remarks.

Sri R. Swamy

8) 2. However, from the case papers received in this Office, it is seen that neither the Collector of Kanara nor the Commissioner of Belgaum are in favour of excluding the area of 2 acres, 8 guntas from the proposed layout of the plots and the undersigned agrees with their views. It has already been reported to Government under Chief Conservator of Forests, Bombay State, Poona's No.17/D/SC/1672/5 of 15th July 1955 that the request of Sri.Prabhu to give him 2 acres and 8 guntas of land from the Survey No. in question does not deserve any consideration,,and the whole Syrvey No.viz., 267 of Balikop should be given out for residential plots. In view of this further steps in the matter may kindly be taken.

9) The four files received from the Government are returned herewith.

M. A. Muthanna

(M. A. MUTHANNA),
CHIEF CONSERVATOR OF FORESTS.

Subject :- Disforestment of F.S. No. 267 of Balikop in Shiddapur taluka for ~~xxxxx~~ residential plots.

MYSORE GOVERNMENT SECRETARIAT
NO.....A.F.
5 DEC 1956
A. & F. BRANCH

Sir,

With reference to the Government of Bombay, Agriculture and Forest Department letter No. 0/96944-F, dated 1-10-1956 on the above subject, I have to forward herewith the Collector of Karwar's letter No. S.105/5220, dated 17-11-1956 and the papers of the case in four files for favour of passing suitable orders in the matter. From the Collector's report, I find that it is not desirable to omit the area of 2 acres 8 gunthas (and not 24 acres and 8 gunthas as mentioned in the Govt. letter) in S.No. 267 of Balikop, taluka Shiddapur, District Karwar (which was originally given to Shri P.G. Prabhu for fruit cultivation in 1939) from the layout of plots for residential purposes. All the 22 plots as shown in the sketch at page 287 (1) may therefore be disposed of by public auction, particularly as it is reported that there is keen demand for residential plots in the village from houseless persons.

Yours faithfully,

for Divisional Commissioner, Belgaum.

Letter

To

The Secretary to Government,
Agriculture & Forests Department,
Mysore State, Bangalore.

No.S 105/5220 Karwar, 1) -11-1956.

Subject: Disforestment of F.S.No.267 of Balikop in Siddapur taluka for residential plots.

Reference: Bombay Govt.letter, A.& F.D.No.0/ 96944-E dated 1st October 1956.

In submitting herewith the papers received under Bombay Government letter referred to above, I have to state as under:

2. The area granted to Shri P.G.Prabhu of Siddapur for fruit cultivation in 1939 was only A.G. 2-8-0 and not A. G. 24-8-0 as mentioned in the Bombay Government letter referred to above.

3. The grant of the plot of 2-8-0 made in favour of Shri Prabhu for fruit cultivation by the Divisional Forest Officer, E.D.,Kanara, in 1939, has already been cancelled by the Divisional Forest Officer, E.D. Kanara, under his No.G/5149 of 1947-48 dated 4-10-1947 as Shri Prabhu made no use of the area for the purpose for which it was granted(page 351 of File III).

4. If the area of 2-8-0 formerly granted to Shri Prabhu for fruit cultivation is to be excluded from the lay out plan, only 13 plots out of 22 plots already laid out, will be available for disposal and the area of 2-8-0 granted to Shri Prabhu will be in between the District Local Board road and plot Nos. 1 to 13 (please vide sketch at page 287, file IV). Moreover, there is keen demand for residential plots in the village from houseless persons (Mamlatdar's and Prant Officer's endorsements at pages 291 and 292 of file IV).

P.T.O

B (14)

In these circumstances, it is not possible to A.C. exclude the area of 2-8-0 from the lay out plan.

The papers in four files accompany.

Advance Copy

Subject: Disafforestment of F.S.No.267 of Ballkop village in Siddapur taluka for residential plots ..

Reference: Govt.letter, A.& F.D.No.AFD.26 DAR 57 dated 15-5-1957 requesting for disforestment proposals of F.S.No.267 of Ballkop..

In enclosing the correspondence resting with Siddapur Tahsildar's endorsement No.TRA 5328 dated 7-8-1957, I have to state as under:

During the course of enquiry, it has transpired that the whole of F.S.No.267 of Ballkop village measures 66-15-0 A. G. as can be seen from the extract of village form I-A enclosed at page 301 of file IV and that the F.S.No.in question has been split up into many parts viz. S.No. 267/1, 267/2, 267/3,etc.and that some area has already been granted for different purposes as shown below (page 301 of file IV).

F.S.No.	Area	Purpose for which granted.
267 B1	1- 0-0	For Taluka Congress Committee.
267 B2	1- 0-0	Out of one acre, 10 guntha area has been granted for constructing a library building, the area of 30 gunthas being vacant (please vide sketch at page 307).

267A 3.	3- 3-0	There is already a proposal to grant this area, including the vacant area of 30 guntlas out of S.No.267B-2 above, to 'Siddi Vinayaka High School, Siddapur'.
267A 2.	4- 6-12½	In this area, 22 plots have been formed, after getting the area disforested and they have already been ordered to be disposed of by public auction among the houseless persons of the village.

Now the remaining forest area of F.S.No.267A1 as per K.J.P. No.17 read with mutation entry No. 1086 enclosed at pages 305 and 306 of File IV is A. G. 46-6-0. Out of this area, the area shown below also has already been disposed of for fruit cultivation by the Forest Department.

F.S.No.	Area	Name of the person to whom granted.
267A1	A. G. 3- 0-0	Shri Narayan Parameshwar Hegde.
	3- 0-0	Rev. Father of Siddapur-Church.

It is also reported that the person to whom the area has been granted for fruit cultivation have properly developed the area after spending considerable amount and that therefore, it is not advisable to resume the area back to Government at this stage (page 309 of File IV).

After deducting the above mentioned areas which have been disposed of for various purposes, the net area available for disposal for residential plots is 38-6-0 A. G. excluding four acres set apart as cremation ground, and 223 plots of 6000 square yards (i.e. 4½ guntlas) each can be formed in this area as shown in the sketch at page 307 of File IV. It is also reported that except an area of 7 acres, the remaining

29 (30)

area is rather hilly and requires levelling and that in the area of 7 acres in which 42 plots can be laid out is not so hilly and the houses can be constructed in these plots without much labour. There is keen demand for the plots in the village. If the whole area of 42-0-0 is disforested, then the demand of all the 4 houseless people of the village as well as the adjoining villages of Kandli and Honur will be fulfilled. At present there are about 90 applications pending for grant of plots in this S.No.(page 361 of file IV).

The Mamlatdar has also reported that an area of about 3 acres (marked H.G.K.L.H. in the sketch at page 367 of File IV) has been set apart for cremation ground and that, further an additional area of about one acre (shown in the sketch as S.T.U.V.) is actually being used by the people of Bailkop as cremation ground. The villagers, it is stated, have no objection to shift the cremation ground to a different site. The Medical Officer of Health who was consulted in the matter has no objection from the public health point of view to grant the plots for residential purposes in F.S.No.207A provided that (page 375 of file IV)

1. the area formerly used and also that now set apart for cremation is not utilized for purposes of burning or burial of dead bodies or for purposes of construction of houses therein;

2. the hilly portion is levelled.

(24) 22/ 15

2. The grantees shall level up the whole plot according to the instructions to be issued by the health authorities.

3. The grantees shall pay the non-agricultural assessment to be fixed under Rule 81(2) of Land Revenue Rules.

4. The grantees shall construct their houses according to the building conditions to be imposed in the kabulayat.

5. The grantees shall execute the kabulayat in Form 'H' appended to Land Revenue Rules embodying the above mentioned additional conditions.

For breach of any of the above mentioned conditions, the grant shall be liable for cancellation at the discretion of the Collector.

Sd/-

(H.S.Shankara Rao)
Collector of Kanara.

Through the Conservator of Forests, Belgaum Circle, Belgaum N.Sn. with a request to forward the papers to the Divisional Commissioner, Belgaum, with his remarks for disforestment of the area proposed in the letter.

2. As this is a Government reference, the papers may please be submitted to the Divisional Commissioner, immediately.

Advance copy submitted to the Divisional Commissioner, Belgaum.
